PREFACE

*The Condominium Registry is your source of information pertaining to condominiums in Ottawa and surrounding regions. It provides a listing of Condominium Corporations and their Property Management Companies along with their contact information, with over 1,100 entries – a combination of over 72,000 high-rise, low-rise and townhome units. The Condominium Registry offers Service Providers such as lawyers, mortgage brokers, real estate agents and trades people the opportunity to promote their products and services. Each condominium is registered as a numbered “Condominium Corporation”. The listing includes “Carleton Condominium Corporation” (CCC), “Ottawa-Carleton Condominium Corporations” (OCCC), “Ottawa-Carleton Standard Condominium Corporations” (OCSCC), “Ottawa-Carleton Common Element Condominium Corporation” (OCCECC), “Russell Condominium Corporations” (RCC) (RSCC) (RCECC), “Lanark Condominium Corporations” (LNCC) (LSCC), “Grenville Condominium Corporations” (GSCC) (GCC) (GCECC) and “Prescott Standard Condominium Corporations” (PSCC). The information contained in the Registry has been obtained primarily from Property Management Companies. Their contribution is gratefully acknowledged. Every effort has been made to ensure that the information is accurate and up-to-date. We apologize for any **errors** or **omissions** and kindly request that you bring them to our attention so that we can make the appropriate corrections in future issues of the Registry.*
